Governor says he's Cool to the Property Tax Proposal that will be on the ballot!

In his budget news conference – the Governor said he was not going to campaign for the proposal going to the ballot. Apparently he didn't like the changes made to "his" proposal that the legislature made during the Special Session. Interesting – we shall see!

Governor Signs Budget Vetoes \$1.6 Billion

Governor Ron DeSantis signed into law the 2026-27 budget (HB 5001E) with his list of line-item vetoes totaling \$1.6 billion, including over \$800 million in spending vetoes. The budget's total spending after line-item vetoes is \$117.6 billion.

“The things that we vetoed, a lot of those are just either inappropriate or maybe nice to have. Nice to have is fine, but I want to fund things that we have to have,” DeSantis said.

He also said he vetoed a companion budget bill (HB 5403E), which would have required \$50 million in funding each year for the next 40 years for capital projects for the corrections system. The bill also required construction of a new 600-bed corrections hospital and bonds to be issued to pay for it.

There were also provisions in the main budget bill (HB 5001E) that tied \$91 million in pay increases for corrections officers to the approval of the prisons bill, so those salary hikes are also nixed.

Another \$24.9 million in prison repairs, and \$56.4 million for new prison cells at Lancaster Correctional Institution in Gilchrist County were tied to the approval of the HB 5403E and fell to DeSantis’ veto.

DeSantis said that while he supported the hikes in pay for prison guards in recent budgets to help retain and recruit employees to an agency plagued with turnover, the extensive borrowing required by the bill led him to quash it.

In other parts of the budget, there’s more than \$30 billion for K-12 schools, or about \$9,338 per student, about \$150 more than the prior year. That includes about \$4.5 billion for the state’s school vouchers program. The funding also sets aside \$1.5 billion to boost teacher pay, with more than \$201 million for teachers with at least 10 years of experience, although the increase will be capped at \$3,000 per year.

There is also \$665 million for Everglades restoration projects, another priority for DeSantis throughout his two terms in office.
